STAY DETERMINED

I want to take this time to say thank you.

Thanks to everyone who worked so hard to make this project possible. Thanks to all the awesome artists who participated.

Thanks to Harry Wakamatsu, creator of “Monster Friend” and “Determination”, the wonderful mock Undertale fonts I’ve used countless times putting this zine together. Thanks to Toby Fox for MAKING Undertale in the first place. And thanks so much to you guys, the Undertale fandom. The viewers and readers that supported this project in the first place. You guys are awesome and we couldn’t have done it without you.
